The GREEN Road to Compliance

Steps to navigate the Open Access journey with Wiley

START
Is your article funded by research that has been wholly or partially funded?

Ensure that you cite funding in the acknowledgements section of your manuscript.

Submit manuscript via journal's submission system. If prompted, answer any funding questions.

Sign and submit the copyright license agreement.

This is sent by Wiley's Author Licensing Service or by the journal's editorial office

The final version ofyour article is published online on Wiley Online Library

FINISH
The author has responsibility of self-archiving the manuscript after the designated embargo period.

Your copyright license will include instructions on how to self-archive.
